VIKING

The 1984-85 Viking is being dedicated to Rosie Woods. Rosie was taken from us in a tragic car accident earlier this year.

She was a junior at Nauvoo-Colusa Jr.-Sr. High School. She attended St. Peter and Paul grade school before entering jr. high.

Rosie was the daughter of Earl and Dorothy Woods, Niota, IL

We all miss Rosie very much and we hope this small reminder will keep her forever in our hearts.

FOR ROSIE

Why did this have to happen?
Did she do something wrong?
She has always been so nice,
And we've been friends so long.

When they told me the next morning
About the accident,
I thought, "There must be some mistake —
A wrong message has been sent."

Then I heard it on the radio
And knew that it was true.
There was so much I wish I'd said;
Now there's nothing I can do.

Why was she taken from us now?
She was so very young,
So full of life and vibrant;
Her life had just begun.

The rest of us must now forget
And our lives must go on.
But she was a little part of us;
I can't believe she's gone.

It's hard, sometimes, living day to day
With reminders everywhere.
In all the classes she was in
There's a quiet, empty chair.

I keep thinking, "She can't be dead!"
After all, she's just sixteen!
There are so many wonderful things
She's never done or seen.

But everyone says she's happy now:
All her problems have already been.
So I guess that maybe she'll be alright
Till someday when we see her again.
